

**500 N 600 W Cedar City, UT 84721 (435)-867-1368**

The following must be agreed upon before we deliver a Roll-off dumpster:

- If the bin is kept for over a month (30 days) without being dumped once, the customer will be billed an additional rental fee of \$100 (We will continue to bill you for each month after that until the bin is dumped or finished).
- When loading with normal construction waste stop at level full.
- When loading with any type of heavy material, stop at ¼ full (Example: Concrete, Dirt, Block).
  - 30 yard Roll-off bin = no more than 5 ton of material.
  - 15 yard Roll-off bin = no more than 3 ton of material.
  - Customers will be billed per ton of material over the above weights.
- Do not overfill the dumpster! This poses legal and safety issues. A fee will be assessed for material hanging over the top of the bin.
- No Hazardous waste (pesticides, paints, oil, etc.); or adhesives, fluorescent lightbulbs, freon, hot water tanks, household cleaners, inks, fuels, propane tanks, railroad ties, telephone poles.
- No lead acid batteries or car batteries.
- No Tires
- If you open the tailgate, close it exactly as you found it.
- Do not try to move the container! If you need it moved, call (435)-867-1368.
- All demolition and remodels must have an asbestos test before hauling.
- When your bin is ready to be dumped, call (435)-867-1368.

Please sign at the bottom that you agree to the above terms and conditions. If we do not receive this, we will assume you no longer want us to deliver a dumpster.
